The screenshot displays the 'Timesheet Input Screen (1) - [25-->STEVENS,CHARLES]' window. It includes fields for Employee ID (25), Last Name (STEVENS), S.S.N., First Name (CHARLES), Policy (1), Shift (3), and Job (3333). The date is set to 11/03/2011, and the current pay period is 11/03/2011 - 11/16/2011. Below these fields is a table with columns for Date, Pay Code, IN, OUT, O/R, Reg Hr, OT-1, OT-2, UOT, Earn/Ded, Schedule, and Exception. The table shows data for dates from 11/03/2011 to 11/09/2011. A summary table at the bottom provides totals for Daily, Weekly, and Pay Period. To the right, a 'Report Generator' window is visible, showing options for report types like Employee Timecard Report, Detail Report, Summary Report, Exception Report, Unclaimed Punch Report, and Traditional Timecard Report. Another window, 'Employee Management (1) - [207-->PETERSON,LYNN]', is partially visible on the left, showing employee details and a photo.
